

CONONLEY PRIMARY SCHOOL
Inspiring and Challenging Our Children

Weekly Bulletin

February 5 2021

This afternoon, we have been learning about Internet Safety. Here is a game which pupils in Year 4 and Year 5 have completed to help them learn how to stay safe when playing video games online. If you would like to try the game yourself, or would like more information about how to stay safe online for 8-10 year olds, please click the link below:

https://www.thinkuknow.co.uk/8_10/

Next week is Wellbeing week. There will be different activities every afternoon for children to take part in, at home and in school. Please up-load any photographs you would like to share using the 'upload' tab on the Wellbeing Week 2Do.

Here is more on-line safety advice for 4-7 year olds:

Achievement Assembly

This week's Headteacher's Awards can be seen on the blog post on Purple Mash (EYFS Headteacher's Award will be on Tapestry). For information about how to access Purple Mash, please see your child's Class Page on the website. This week, the children who will receive a 'Headteacher's Award' are:

Cherry Class: Emily
Rowan Class: Jameson
Year 3 Bubble: Evelyn
Year 4/5 Bubble: Millie & Lucas C
Oak Class: Jacob

Snowy Tuesday!

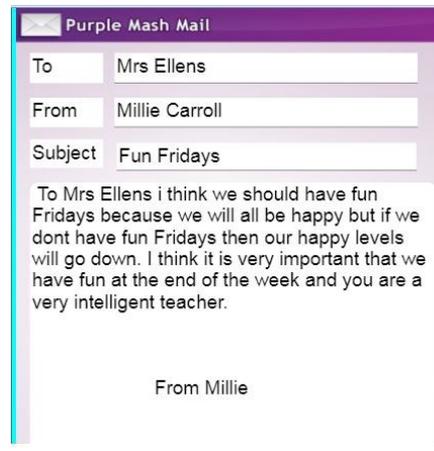

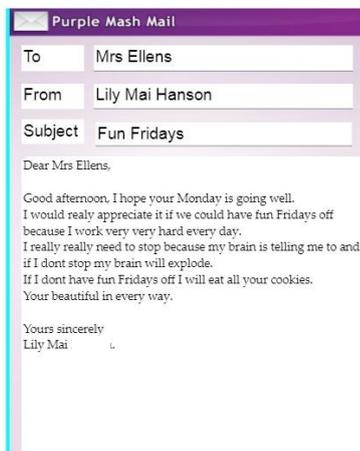

CONONLEY PRIMARY SCHOOL
Inspiring and Challenging Our Children

Weekly Bulletin

February 5 2021

In English, Year 5 pupils have been writing persuasive emails to Mrs Ellens to encourage her to let them have a 'Fun Friday'. They were asked to include flattery, veiled threat and presumption. Do you think they have managed to persuade her?

Year 6 have been leaning about Evolution and Inheritance in Science. They have used Charles Darwin as the inspiration for some fantastic poetry writing in English today. Here is a sample of the work they produced at home and in school:

Charles Darwin,
Born in 1809,
Incredible, intelligent, determined,
As inquisitive as a meerkat,
Genius like a dictionary,
Charles Darwin,
Exploring, collecting, studying,
A dog determined to find his bone,
Came up with the theory of natural selection
Charlie H

Charles Darwin,
He discovered natural selection,
Charles was a genius, rich and inquisitive,
His beard as white as snow,
He stuck to nature like glue,
Charles Darwin,
Sailed, explored, travelled,
A fossil is a crown jewel to him,
Charles died in 1882,
One day I would like to sail and
explore different places
George

Charles Darwin

Loves to collect seals, coins, franks and shells

Intelligent, obsessive, disobedient.

When he explores nature he is as happy as a

Squirrel when it gets a nut.

Like an adventurer when they find a hidden

Scroll.

Charles Darwin

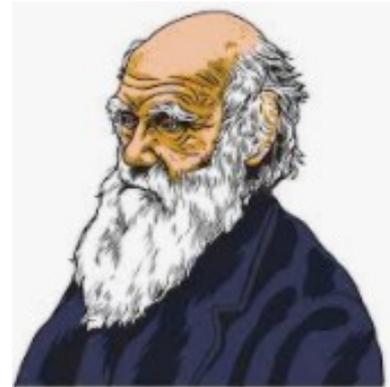

Sailing, walking, staring.

The beagle is a colossal planet.

He wrote a book titled the Origin of species.

I wish I could travel to South America.

Niamh

The Beagle,

A ship for researchers,

Silent, silky, sturdy,

As strong as an ox,

Majestic like a swan,

The Beagle,

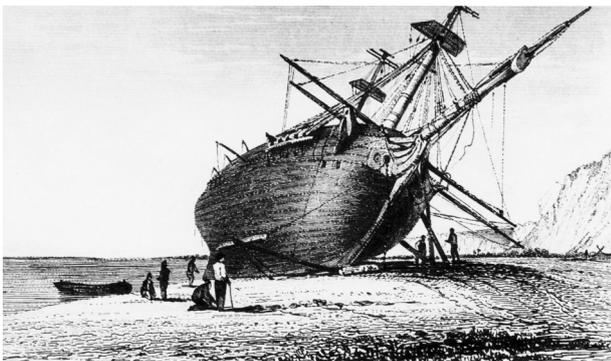

Sailing, discovering, carrying,

A moving island on wavy seas,

Home of Charles Darwin for five years,

I'd like to set sail on The Beagle.

Daniel

He discovered the theory of natural selection

Sensational, creative and successful

As potty as a pigeon

The Beagle glided like an ice skater across the untamed sea

Charles Darwin

Intelligently discovering and finding

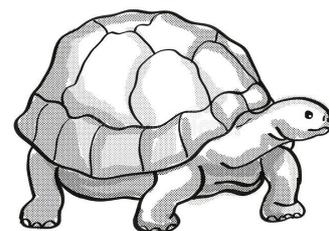

Charles Darwin is a glass of milk

spilling important information

Born in 1809 died 1882

I would like to go where he has been

Faye

Charles Darwin

A superb scientist, he was incredibly wealthy

Obsessive, genius, brave

He was as smart as a fox

He was daring like a ninja

Charles Darwin

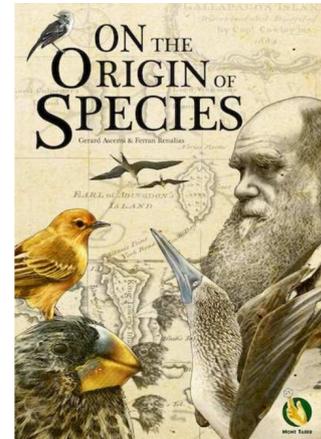

Explored, travelled and discovered

He was a walking encyclopedia

Born on February 12th 1809

I'd like to go to South America too

Alexander

Charles Darwin was not a dodo

A wealthy man who sailed the waves

On the HMS beagle

and found the theory of evolution

He was stuck to nature like glue

Fossils like a crown jewel

**I would like to learn about the Beagle with
him**

Neve

Charles Darwin

Was an amazing scientist

He was very smart, curious and adventurous

The sea was as rough as sand paper

The sea surrounded him like a blanket

Charles Darwin

Travelled, collected and discovered

The fossil was a crown jewel

He was born on the same day as Abraham Lincoln

I would like meet Charles Darwin

Harris
