

Cononley Primary School
Geography Curriculum Progression

	KS1		KS2			
	Year 1	Year 2	Year3	Year 4	Year 5	Year 6
Locational Knowledge	Name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas.	Name and locate the world's seven continents and five oceans.	<p>Locate and name the continents on a World Map.</p> <p>Locate the main countries of Europe inc. Russia. Identify capital cities of Europe.</p> <p>Locate and name the countries making up the British Isles, with their capital cities.</p> <p>Identify longest rivers in the world, largest deserts, highest mountains. Compare with UK.</p> <p>Identify the position and significance of Equator, N. and S. Hemisphere, Tropics of Cancer and Capricorn.</p>	<p>On a world map, locate areas of similar environmental regions, either desert, rainforest or temperate regions.</p> <p>Locate and name the main counties and cities in/around Yorkshire</p>	<p>Locate the main countries in Europe and North or South America. Locate and name principal cities.</p> <p>Compare 2 different regions in UK rural/urban.</p> <p>Locate and name the main counties and cities in England.</p> <p>Linking with History, compare land use maps of UK from past with the present, focusing on land use.</p> <p>Identify the position and significance of latitude/longitude and the Greenwich Meridian. Linking with science, time zones, night and day</p>	<p>On a world map locate the main countries in Africa, Asia and Australasia/Oceania. Identify their main environmental regions, key physical and human characteristics, and major cities.</p> <p>Linking with local History, map how land use has changed in local area over time.</p> <p>Name and locate the key topographical features including coast, features of erosion, hills, mountains and rivers. Understand how these features have changed over time.</p>
Place Knowledge	Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country.	Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country concentrating on islands and sea sides	Compare a region of the UK with a region in Europe, eg. local hilly area with a flat one or under sea level.	Understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom, a region in a European country, and a region within North or South America.	Compare a region in UK with a region in N. or S. America with significant differences and similarities.	Compare a region in UK with a region in N. or S. America with significant differences and similarities. Understand and explain some of the reasons for similarities and differences.
Human & Physical Geography	<p>Y1 / 2 depending in rolling programme – see curriculum.</p> <p>Identify seasonal and daily weather patterns in the United Kingdom.</p> <p>Identify the location of hot and cold areas of the world in relation to the Equator and the North and South Poles</p> <p>Use basic geographical</p>	<p>Y1 / 2 depending in rolling programme – see curriculum.</p> <p>Use basic geographical vocabulary to refer to:</p> <ul style="list-style-type: none"> □ key physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather □ key human features, including: city, town, village, 	Describe and understand key aspects of Physical Geography (climate zones, biomes & vegetation belts, rivers, mountains, volcanoes, earthquakes and the water cycle)linked to the Geography theme being studied - see differentiation in curriculum plans.	Describe and understand key aspects of Physical Geography (climate zones, biomes & vegetation belts, rivers, mountains, volcanoes, earthquakes and the water cycle)linked to the Geography theme being studied - see differentiation in curriculum plans.	Describe and understand key aspects of Physical Geography (climate zones, biomes & vegetation belts, rivers, mountains, volcanoes, earthquakes and the water cycle)linked to the Geography theme being studied - see differentiation in curriculum plans.
